Improved Weekly Service

Pacific Weekly Service (PWX)

Dear Clients,

MBf Carpenters Shipping through our colabaration with our VSA partner is pleased to announce a new improved frequency ex SEA to PNG and Solomon Island. This will be a weekly service (7 days) with additional transhipment options in Port Klang and Singapore for outer SEA ports.

The edge of this weekly service is supported by weekly fixed-day windows in Port Klang, Singapore, Motukea and Lae. Hence improved reliability, frequency and on time cargoes delivery.

This new weekly service will commence from Highland Chief V 2311S. New schedule will be published in this week release.

For further enquiry please feel to reach us and our representative offices in your respective country.

Yours Truly
