

2nd March 2023

Dear Client

MV Port Vila Chief v 2313 delays from Dry Dock

We regret to advise that Port Vila chief V2313 S operated by our VSA partner will delay her commencement voyage due to unavoidable delays experienced from her dry docking yard.

As a result, a cascading effect on subsequent voyages operating in PWX service.

Please refer to our schedule and if you require further clarification feel free to contact your local representative.

We thank you for the support.

Yours truly

Trade Management
